

# COLLECT THEM ALL

## The cutest and best bedtime friend that glows in the dark!

All **Dream Beams** have the same mission: to give every child a good night and sweet dreams, **providing emotional support and the opportunity to release stress** through multi-sensory experiences - hugging, squeezing and glow in the dark!

Get to know **Dream Beams**.

They are not only the cutest, softest, and fattest stuffed animals in the world, but they also have a secret surprise! **They glow in the dark** and are the best sleep companions.

Each **Dream Beams** has its own personality and each character shines differently, you have to see it for yourself.

**Dream Beams** are the cutest, cuddliest beasts kids will ever dream of! Fun plush characters that glow in the dark, making them the perfect hug and cuddle buddy.

**Dream Beams World** is a world full of colors, happiness and hope.

Each **Dream Beam** has its own talents: singing, dancing, swimming, and some **Dream Beams** even have superpowers. They are friendly and support each other in various ways.

**Dream Beams World** is a bright and shiny planet full of colorful beams of light.

**Dream Beams** are cute and funny inhabitants of Dream Beams World.

## Everyone loves cuddling with Dream Beams!

Dream Beams World's adorable glow-in-the-dark plush toys have their own unique glow.

**Special fluorescent threads woven into the toy's elements glow in the dark.**

**Just expose them to artificial light, sunlight or UV light.**

Plush toys are an ideal tool for children to support their creativity and appropriate emotional development.

Each **Dream Beams** has its own personality and unique way of lighting, which makes it unique.

**Dominik the dolphin** swims fast and is able to make huge jumps between waves. He always makes his friends laugh with his fantastic stunts.

**Odile the owl** is an expert at flying and also has incredible night vision. From the top of the trees he can see everything, thanks to his good perception he always knows where the fun is!

**Pegasus Pablo** is a talented songwriter. When Alice dances and sings, Pablo loves to accompany her on the piano.

**Ellen the elephant** is responsible for keeping her friends cool during the hottest time of the year. It moves its huge ears, which work like a fan.
