

Traveling should always be an exciting and educational experience for a child, creating memories of fun rather than tears and tantrums, which parents often struggle with during trips.

Our mission is to be a recognized manufacturer, creating useful, high-quality travel products that make traveling easier for both children and parents.

Rob Law MBE, Founder

We create fun and
innovative
products for
families on the go!

We believe that traveling is about new experiences, creating memories, and making every journey just as exciting as the destination!

We understand perfectly that children bond with the products their parents buy, so everything we create has functionality valued by parents and personality appreciated by children.

Trunki is a leading travel brand for children.

Portable box, TeeBee toy container

TeeBee is a portable toy container that transforms into a lap tray, allowing children to take their favorite creative toys on the go.

The TeeBee toy box is the perfect travel companion for the car or airplane, keeping children entertained with their beloved, creative toys. This way, you can avoid relying on tablets and the often-frustrating question from kids: "Are we there yet?".

Portable box, TeeBee toy container

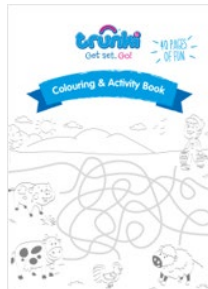

Be creative on every journey, during mealtime away from home, or wherever you are.

The container can store:

Lego/Playmobil blocks, beads, figurines, crafts, snacks, and food.

The package includes:

- A6 coloring and activity book
- Box
- Fun stickers
- 4 crayons
