TINY LOVE™ INTRODUCES
Boho Chic COLLECTION™

Peaceful development, Natural style.

Dorel Juvenile, a segment of Dorel Industries (TSX: DII.B, DII.A), and the world's largest juvenile products manufacturer announced today that Tiny Love, a leading international toy and baby product brand, proudly introduces the stylish, breathlessly-designed **Boho Chic Collection**, inspired by the trendy home decor style. Even more than usual, this collection is packed with stimulating features for your baby to enjoy and develop.

The warm, earthy colors and natural materials of the Boho Chic Collection are perfect for tasteful, design-loving parents who want to make sure they are giving their baby the best developmental tools. The collection covers babies' overall needs - day or night, play or relaxation, everywhere around the house: nursery, dining area, and living room.

The Boho Chic Collection's trendy fashion, quiet design, and unique color palette will complement your home's interior, and more importantly, create a peaceful environment for baby's exploration with moderated stimulation of the senses.

20 Playful Activities
with the **Boho Chic**
Luxe Developmental
Gymini!

Ever since Tiny Love invented the world's first Gymini, it has been babies' ultimate playground - always packed with intriguing activities and fun characters. This innovative edition will be a hit among babies and parents alike.

With a total of 20 playful activities, the new Boho Chic Luxe Developmental Gymini will engage baby in continuous creativity and learning experiences while supporting six developmental skills. Uniquely designed with a stand-alone, natural wooden arch that will keep entertaining baby even at the sitting stage, the Boho Chic Luxe Developmental Gymini features an adorable plush take-along koala hug-doll, a baby-activated musical sloth doll, a giant rattling kicker leaf, a trio of natural wood gripping rings and so much more.

Twelve milestone cards come with the product enabling parents to capture and share key moments during their baby's exciting first year with the Gymini. The cards also contain developmental information that allows parents to further explore baby's development.

**Boho Chic
Luxe
Musical
Mobile**

This chic-decor, one-of-a-kind mobile will charm your baby with its soft colors, friendly characters, and soothing melodies. Inspired by authentic crafts, it is designed with vintage-like embroidery patterns and has a soft arm cover. Unlike any other décor mobiles - the Boho Chic Luxe Musical Mobile is the only one that offers a rich variety of electronic features :unique shushing sound (you won't believe how fast it will send babies to a world of dreams), nature sounds, 17 melodies that play up to 30 minutes of continuous music, auto-off timer, rotation, volume control, and LED light. This mobile is all you need to create a chic, charming, inspiring nursery environment for your baby.

Tiny Dreamer
3-in-1 Musical
Projector***

We all know that not all babies are soothed the same way. The Tiny Dreamer allows parents to choose from a variety of 17 lullabies, melodies, white noises, and a unique shushing sound (that works like magic!). For a more personalized experience – the MP3 feature gives parents the opportunity to upload their baby's favorite playlist.

The colorful, starry ceiling projection will give an enchanted look to your nursery creating a magical night-time atmosphere. The night lamp enables you to choose between lighting levels and can be carried by a loop as a lantern.

The Boho Chic Tiny Dreamer 3-in-1 Musical Projector has a rechargeable battery and USB cable for easy and economical maintenance.

*Available in 3rd quarter 2021.
