FOAM MATS

FELT MATS

sample designs

Carpets and mats serve as a decorative element in a child's room, helping to create a cozy atmosphere by adding warmth and a touch of fairy-tale charm to the interior.

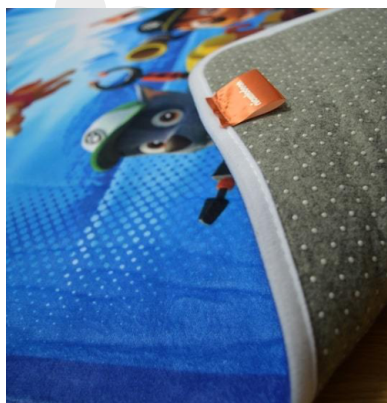

They also provide a comfortable and safe environment for children to play.

nickelodeon

With their vibrant colors and beautiful patterns, carpets and mats encourage children to be active and play—both alone and with friends and family.

All mats and carpets have a non-slip backing.
