Feel to Learn: Tulip mirror

This tulip-shaped sensory mirror with crunchy edges in contrasting colors, will awaken your baby's attention from the age of 6 months. At this stage, they are already able to begin to be surprised by the reflection of themselves and in the following months, they will become aware of their self and that this reflection is themselves, what a surprise!

Intelligence

- Leaf-shaped safety mirror for babies (from 6 months).
- Stimulates their senses of sight, hearing and touch thanks to its high-contrast colors and crunchy edges.
- Stimulates their cognitive development and adapts to their developmental milestones, accompanying them from the age of 6 months when they begin to be surprised by their reflection, until they recognize themselves in it.
- Easy to clean and disinfect. Machine washable, although it is recommended to protect the mirror when washing.
