terra collection, for families who love the little details

A collection inspired by the colours
of nature

The Miniland Terra collection is made up of minimalist designs in natural colours, to help you when feeding your baby. This Nordic-themed collection stands out for its use of a colour range inspired by different tones found on earth, in the sea and in nature, and will be the perfect companion in your day to day with baby.

The Terra collection has thermos flasks for liquids and solids in the highest quality stainless steel, to help you keep food at the perfect temperature for longer. The matching isothermic bags make it easier to get out and about and can be taken comfortably anywhere. Other food accessories with airtight containers, and picnic kits complete the collection.

RANGE OF LIQUID THERMOS OF 500ML WITH RUBBERY

	Very effective		Soft touch
	Triple insulating layer		Easy pouring system
	Anti-drip system		To take anywhere
	Exceptional quality		Easy cleaning
	Perfect for the baby's meals		

Maintains the temperature of liquids for more than 24 hours.

The Miniland thermoses are highly resistant and effective thanks to their dual steel wall with an exclusive aluminium layer, their vacuum chamber and the double-cap system.

In two possible finishes

The 500ml liquid thermos from Miniland are available in two different finishes depending on the parents taste. They can choose the rubbery exterior touch or the classic metallic finish. In addition, steel thermos is suitable for dishwasher.

The baby's meals always ready

Parents can prepare the baby's food at home and take it anywhere, maintaining the desired temperature for many hours.

Materials endowed with exceptional quality

Made from 18/8 steel (304 steel) which has very low thermal conductivity and very good resistance to high temperatures, being the most appropriate material for food storage.

Easy pouring system

With thermos parents will not spill a drop of the content thanks to their easy pouring and 'click on, click off' locking systems that allows to open and close the thermos with a single finger and without the need of unscrewing the internal plug.

Detachable and easy to clean

Both the thermos cap, which can be used as a glass, and the valve are unscrewable, facilitating the cleaning of all components. In addition, thermos steel is suitable for dishwashers.

500ML BOTTLES WITH A SOFT SPONGY FINISH

	Very effective		Exceptional quality
	Triple insulating layer		Matching parents and baby
	Anti-drip system		To take anywhere

Always a match with your baby!

Our thermos bottles are the perfect complement to our natur thermos containers, so both moms and dads and the little ones can show up in matching style.

Natural motifs design

The natur thermos range has attractive designs inspired by nature, with two models to satisfy the tastes of all parents, and a soft to the touch rubbery exterior. In addition, its silicone base helps to adhere the thermos to the surfaces and prevent its fall.

Reusable and durable

Made on stainless steel, it can be reused during a long period of time, prolonging its span life and contributing to the sustainability of the environment. This way, parents can teach the little ones the importance of caring and respecting the world they will live in.

Materials endowed with exceptional quality

PRACTICAL ISOTHERMAL BAG FOR THERMOS AND BABY BOTTLES

- | | |
|----------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------|
|  Isolating |  Convenient handle for hanging |
|  High quality materials |  Upper opening with zip |
|  To take anywhere | |

Help to maintain temperature

An extra layer of insulation from the isothermal material protects them from changes in environmental temperature and helps maintain the temperature of drinks.

A fun touch for thermos for solids and accessories in all sizes

The isothermal Thermibag covers have been designed for thermos for solids and other accessories in all sizes up to 800ml, and they're ideal to use with the Miniland Thermetic and Food thermy. Their two finishes mean mum and dad can decorate them in their chosen colours.

Resistant materials for greater protection

Made in hard-wearing materials which protect thermos from scratches, knocks and scrapes.

Ready to take anywhere

The perfect size to take anywhere. Great for travelling or when leaving baby. The bag also has a handle so you can hang it comfortably from your pushchair.

Zip opening at the top

With the zip-opening at the top of the isothermic bag, you can use the thermos comfortably without having to take it out.

Compatible with insulated bottles of: 500ml

DOUBLE ISOTHERMAL BAG FOR BABY BOTTLES AND THERMOS

- | | | | |
|-----------------------------------------------------------------------------------|-------------------------------|-----------------------------------------------------------------------------------|------------------------|
|  | Isolating |  | To take anywhere |
|  | Great capacity |  | Removable separator |
|  | Convenient handle for hanging |  | High quality materials |
|  | Upper opening with zip | | |

Two are better than one

This isothermal bag has been designed to hold up to two baby bottles and keep the temperature for both of them. This way parents can avoid carrying more bulk than needed. Especially designed for twins.

Helps maintain the temperature

Thanks to its lining of insulation, the double thermibag helps conserve foods at the ideal temperature.

Multiple uses in the same bag

It has an internal separation to prevent the rub between the two baby bottles or thermos and increase the isolation. In addition, the separator is removable, creating a wider compartment for bottles and other larger containers.

Bottles and accessories well protected

Made with highly durable materials to protect the bottles and keep them in suitable conditions, as well as keep the hygiene of the accessories.

To take anywhere

The perfect size to carry anywhere. Perfect for travelling or for leaving your baby with someone else. Furthermore, the bag has a handle so that you can hang it to the pram with total comfort.

A PRACTICAL SET OF ANATOMICAL DEVELOPMENT CUTLERY WITH A PROTECTIVE CASE

	Evolutionary		High quality materials
	Soft 4m+		Hygienic case
	Great capacity		To take anywhere
	Rounded tips		Dishwasher safe

Anatomical cutlery for all your baby's stages.

picneat consists of a soft spoon which is easy on the gums for the introduction of food, a great capacity spoon and a round-tipped fork for greater safety.

To take anywhere always clean!

The safe-locking case ensures parents can always store the cutlery in a hygienic manner. Moreover, this accessory allows the cutlery to be taken anywhere in the simplest and most convenient manner.

Learning to eat on their own!

The handles are ergonomic and extremely easy and convenient for a baby's little hands to grasp. This excellent cutlery will help babies to practice eating on their own.

Manufactured in Spain with top-quality materials

picneat is manufactured in Spain with top-quality PP, guaranteeing the cutlery is both highly resistant and proofed against the naughtiest toddlers. It is also BPA free.

Suitable for dishwashers

The cutlery and case may be washed in dishwashers.

PRACTICAL ISOTHERMAL BAG WITH 2 GRADUATED AIRTIGHT CONTAINERS

	Graduated		Preserves all the properties of the food
	Stackable		Perfect for freezing and heating
	High quality		Perfect for breast milk
	To take anywhere		

In the country, at the beach or in the park

It is the perfect size to take it anywhere. In addition, the bag can be conveniently handled or hung from the pram. Its isothermal bag will help to maintain the food temperature.

Made in Spain with exceptional quality

Two graduated airtight containers of 250 ml of capacity, made in Spain from highly-resistant materials.

For all types of solid or liquid food

Ideal for the first mashes and all kinds of solid foods, from aperitifs and snacks to desserts. Well suited to other liquid foods such as broths, consommés or natural juices.

Conserving breast milk

Very suitable for storing breast milk, either to be drunk on the same day or for storing for longer in the freezer.

Frozen food with every guarantee

The baby's food is stored in the freezer and can be unfrozen or heated up in the baby bottle warmer or microwave in the hermetic container itself.

Accurately controls the baby's meals

The measurements on the container allow the baby's meals to be adapted to the baby's needs.

Easy to clean

The bag is impermeable so it doesn't absorb stains and can be cleaned with a damp cloth. The hermetic containers are suitable for the dishwasher.

Thawing food

The graduated cup is ideal for the microwave, allowing food to be unfrozen in a moment with total convenience and safety.

SET OF 10 AIRTIGHT CONTAINERS I WITH 2 ANATOMICAL SPOONS

	Graduated		Preserves all the properties of the food
	Stackable		Perfect for freezing and heating
	High quality		Perfect for breast milk
	To take anywhere		Great capacity

The baby's meals always ready, in the country, at the beach or in the park!

Allows parents to prepare the baby's meals at home and take them anywhere. It is the perfect size to carry in your pocket, in any isothermal bag or fridge.

With anatomical cutlery for all baby's development phases

It includes a soft training spoon for starting on solid food that is delicate on gums, for babies over four months old, and another deeper and more rigid one for older children. With an ergonomic, anatomical handle, very easy for small hands to grip, helping the little ones start to eat independently.

To control your baby's feeding accurately

The measures on the cup up to 250ml let you measure the amount for your baby's needs at all times. Furthermore, the side surface lets you write in pencil the info such as baby's name, the date and type of food or drink it contains for greater control.

Made in Spain with exceptional quality

The 25cl graduated containers are manufactured in Spain with high resistance materials.

Conserving breast milk

Very suitable for storing breast milk, either for refrigerating or drinking on the same day or for storing for longer in the freezer.

For all types of solid foods or liquids

Ideal for the first mushes and all kinds of solid foods, from aperitifs and snacks to desserts. Well suited to other liquid foods such as broths, consommés or natural juices.

Frozen and unfrozen food with every guarantee

The baby's food is kept in the freezer to maintain its nutritional properties, aroma and flavour. The graduated cup is ideal for the microwave, allowing food to be unfrozen in a moment with total comfort and safety.

For heating up anywhere

Very convenient for heating up food in the same airtight container, in any bottle warmer, microwave or bain-marie at the very moment of the baby's feeding time.

Bisphenol A free

100% BPA-free.

HARVARD PLATE FOR CHILDREN

	Suitable for BLW		Dishwasher safe
	Fun		Microwave

To enjoy a healthy, balanced diet

This plate shows the recommended proportions for each food group, so that little ones can learn which food groups should be in the two main meals: lunch and dinner.

Great for mums and dads

Parents will find this plate really useful - it's very easy for little ones to understand, helping them to quickly become familiar with which foods are healthy, and how much of each they should be eating.

Attractive design

So little ones will love eating with it! It's decorated to represent foods from each of the different groups, helping them to become familiar with each type and variety of food.

Dishwasher and microwave safe

It can be used in the dishwasher and microwave
