About us

Trunki started trading in May 2006. Since then we've gone on to sell over 3 million of our much-loved ride-on suitcases across nearly 100 countries worldwide.

Our current collection includes:

- Trunki** - The original ride-on suitcase.
- ToddlePak Backpack** - Be safe & seen backpack range.
- EAT Range** - Our newest range of foodie travel accessories for eating on the go.
- PaddlePak** - The splashproof backpack for little explorers.
- ToddlePak** - Fuss-free toddler reins.
- Yondi** - Head and neck support designed for high back car seats.

We understand that whilst parents buy products, children make friends with them, so everything we create has the functionality grown-ups value and the personality that kids adore.
